

priority **1** Freight. Transport. Experts.

Truckload

If you need over the road transportation, you want Priority1. Our centralized truckload brokerage service is efficient, cost effective, and designed for your value.

- Access to over 5000 contract carriers
- Specialized equipment including 53' vans, flatbeds, and reefers
- Intermodal rail
- Competitive partials
- Tracking and expediting
- Bonded and insured

Less-Than-Truckload

On LTL shipments, leave the logistics to us. We consolidate our customers' purchasing power to drive down freight rates, and give you the power of Freight Negotiator, our advanced Transportation Management System, at no extra cost.

- Freight Negotiator TMS
- Regional and long-haul
- Reduced freight charges through specialty spot quotes on 5,000 to 20,000 lbs
- Consolidated invoicing
- Free freight audit
- Consolidating BOL creation
- Rate shopper
- Shipment tracking
- Bonded and insured
